## EIGHTEEN DROWNED.

THE DEAN RICHMOND GOES  
DOWN IN LAKE ERIE.

HER ENTIRE CREW AND CARGO LOST

She belonged to the Toledo, St. Louis  
and Kansas City Line. The Schooner  
Minnehaha Goes Down and Six  
of Her Crew are Drowned—  
The Schooner Airt Ruth  
Captured and Lost.

BUFFALO, N. Y., Oct. 16.—The sad-  
dest feature of the lake storm which  
raged Saturday, is the loss of the  
steamer Dean Richmond on the shore  
near Dunkirk. The first thing that  
was heard of this disaster was at 9  
o'clock yesterday morning when the  
captain of the Helena reported having  
sighted the Dean Richmond off Long  
Point where she seemed to be labor-  
ing under difficulties. Later Captain  
Jack Tierney of the steamer W. H.  
Stevens, reported that he sighted the  
Richmond in the middle of the lake  
about four miles this side of Erie.  
One of her stacks was missing and  
while he was looking the other stack  
and spar went by the board. She  
was laboring heavily in the trough, as  
though her steering gear had become  
disabled.

Since then nothing has been seen or  
heard of the vessel. It is thought  
that she must have gone down with  
all on board. Her cargo was eighty  
tons of merchandise from Toledo to  
Buffalo. She belonged to the Toledo,  
St. Louis and Kansas City line. Her  
crew consisted of about eighteen  
sailors.

A dispatch from Dunkirk last  
evening states that three unknown  
bodies, apparently of sailors, had been  
washed ashore a few miles from that  
port. One of the three bodies has  
since been definitely identified, upon  
description furnished from Buffalo, as  
that of John Logan, first engineer,  
from Port Huron, Mich. The signal  
board of the boat bearing her name  
was later found, and some barrels of  
beer, which formed part of her cargo,  
have also drifted to land. She must  
have gone down off Light House  
point.

### A ROCK ISLAND WRECK.

Two Colored Tramps Killed and Four  
Employers Injured in a Collision.

TOPEKA, Kan., Oct. 16.—Rock Island  
passenger train No. 9, west-bound,  
which left Kansas City at 9:15 o'clock  
Saturday night, an hour late, collided  
with freight train No. 91, east-bound,  
Pacific, eighteen miles west of  
Topeka, at 7 o'clock yesterday morn-  
ing.

Two colored tramps, who were  
riding on the "blind baggage" car,  
were instantly killed, their bodies be-  
ing crushed into an unrecognizable  
mass.

The engineers and firemen on both  
trains jumped when they saw the ac-  
cident could not be averted, and all  
escaped injury except Engineer  
Charles Toppman of the passenger  
train, who was badly hurt about the  
head by the fall. Mail Clerk E. E.  
Harter was painfully injured about  
the back. Mail Clerk C. C. Armstrong  
of Kansas City was slightly injured  
about the head and baggage man For-  
sythe had his head crushed. None of  
the passengers were hurt.

Engineer Toppman, Baggage man For-  
sythe and Mail Clerk Armstrong re-  
side in Kansas City, and Mail Clerk  
Harter lives in St. Joseph. Conduc-  
tor D. G. Jones was in charge of the  
passenger train. The wreck occurred  
near the switch, and was caused by an  
error that has not yet been located.

### SIX SAILORS PERISH.

ONKAMA, Mich., Oct. 16.—The big  
schooner Minnehaha was beached at  
Starke, ten miles north of here, at  
noon yesterday to save her from  
foundering in deep waters. The seas  
soon overwhelmed the vessel, and  
drove the crew into the rigging. Be-  
fore the arrival of the life-saving  
crews from Manistee and Frankfort,  
the schooner went to pieces. But one  
person, Captain William Packard, was  
saved. Six sailors perished.
